SUD NIGHT FEVER

Countdown the end of the year in a glamorous atmosphere.

SUD Lisboa Terrazza invites you for SUD Night Fever, an unforgettable evening, that will mark the beginning of a prosperous and healthy New Year!

Let the celebrations begin in style and elegance with a magnificent menu and live entertainment that will take you back to 70's and 80's music.

This year, our SUD Artists pay tribute to the best and most iconic worldwide movie Saturday Night Fever - a huge success released in 1977 starred by John Travolta that had a tremendous effect on music culture.

The film features music by Bee Gees and many other prominent artists of the Disco Sound.

Let yourself be enchanted by fantastic performances such as "Staying Alive", "Night Fever", "How Deep is your love", "More than a woman" and many more! Ring in the new year with a magnificent menu designed by our Executive Chef Patrick Lefeuvre with an amazing view over the Tagus river.

Welcome Midnight and toast to 2022 with an amazing fireworks display in Lisbon's best scenario. The party goes on with DJs and performers that will entertain the dance floor, offering to our Guests an incredible beginning of 2022!

Come experience the glitter and glamour of the SUD Night Fever New Year's Eve at SUD Lisboa Terrazza.
